CLEANING INSTRUCTIONS

Before cleaning, lighting fixtures must be turned off and unplugged from mains electricity. Whilst cleaning please take care and use the gloves provided.
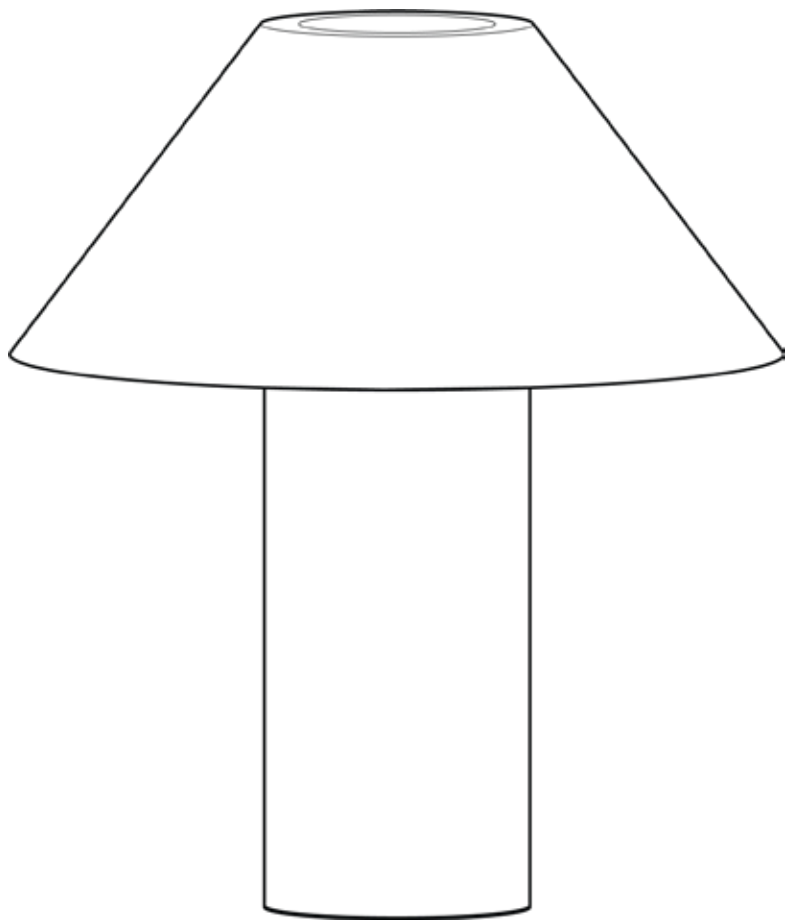

I. STONE

Each of our stone objects is unique, due to the variations of colour and veining that effect the inherent aesthetic appeal of natural stone.

To clean stone items, begin by removing any dust with a soft, dry cloth. A cloth dampened with warm water will usually remove superficial marks; if more effort is necessary, add a modest amount of pH-neutral detergent. Finish by wiping each piece thoroughly with a clean, dry cloth to absorb any residual moisture.
